101 – Declaration

Declaration and Notice of Collection, Use, Disclosure and Treatment of Personal Information Provided as Part of Your Ontario University Undergraduate (101) Application

The Ontario Universities' Application Centre (OUAC) is a division of the Council of Ontario Universities (COU). We process applications for admission to Ontario university programs on behalf of the Ontario universities. To apply for admission to a university undergraduate program and/or a non-degree-granting program in Ontario, your application must be processed through the OUAC. We forward your application to the universities of your choice.

We are committed to protecting your privacy in relation to the personal information you provide in support of your application.

By applying through the OUAC, you agree that your chosen universities will obtain the personal information you provide to us and that we will collect, use, disclose and otherwise manage your personal information as set out in this Declaration and Notice.

Universities may use and disclose your personal information for other purposes in accordance with their own admission and personal information policies and practices, including requirements for government enrollment reporting, which you must investigate yourself.

Your Responsibilities

- Provide all the personal information requested in this application, along with your application fee. Universities will not consider incomplete applications. Universities may require additional personal information and/or submissions to complete your application.
- Pay for your application. Fraudulent use of credit cards and demanding/obtaining unauthorized application fee reimbursement is considered unethical.
- Keep your access code, OUAC username, password and application reference number confidential and secure. Notify us immediately if you suspect any unauthorized access, use or disclosure of this information.
- Ensure that your application information and all supporting documentation is truthful, complete and correct. We and the universities reserve the right to verify any information provided as part of this application. If you withhold information or submit any information that is determined to be false, misleading, concealed, or written by a third party, we and/or the universities may, at our absolute discretion, invalidate the application, resulting in its immediate rejection or in the revocation of an offer of admission or registration at a university. Any such information may be shared by the OUAC, or by Ontario universities and colleges, with other universities and colleges across Canada.
- Protect the personal information in your application and do not provide it to other organizations in any form (e.g., paper, PDF).

Collection of Personal Information:

- We collect the personal information you provide in your application, or in reference to your application, to process your application for your chosen universities.
- We collect your academic data, including your Ontario Education Number (OEN), from your high school and/or school board. We collect this information several times during the application cycle to process your application. A restricted number of school and/or board officials are authorized to update your high school academic data and diploma information.
- We collect information about your status as a Canadian Aboriginal person, if you choose to provide it. You are not required to provide this information; however, if you do, we will forward it to your chosen universities so they can inform you of specific services available to Canadian Aboriginal students.
- We collect information about your status as a first-generation university or college applicant, if you choose to provide it. You are not required to provide this information; however, if you do, we will forward it to your chosen universities so they can inform you of specific services available to first-generation students.
- We collect payment information when you pay (or someone else pays) for your application. We use this information to process your payment. All credit card processing is done by a third party and no cardholder data is collected, transmitted or stored on OUAC systems.
- If you are accepted and then register at an Ontario university, the university will send your registration information and the program for which you are registered to the Ministry of Advanced Education and Skills Development (MAESD). The OUAC collects your registration information from the MAESD.

Use of Personal Information:

- We use your personal information to compile and process your application and payment.
- We use personal information from all undergraduate applications to create aggregate, non-personally identifiable statistical reports. This information may be used by the following groups:
 - The public, via the OUAC website
 - Ontario universities and colleges
 - The Ontario College Application Service (OCAS)
 - Ontario school boards
 - Ontario government ministries (MAESD, Ministry of Education)

Card Verification Digits (CVD)

Most credit cards now include a 3 or 4 digit verification number, which is not part of the regular credit card number. The number is not contained in the magnetic strip information nor does it appear on sales receipt.

For most cards, the CVD number is a three digit number on the back of the card.

CVD seeks to ensure that the purchaser has the physical card in hand when placing a phone, mail, or Internet order, and to verify that the card account is legitimate.

American Express cards have a four digit CVD number on the front, above the credit card number.
