Declaration and Notice of Collection, Use, Disclosure and Treatment of Personal Information Provided as Part of Your Ontario University Undergraduate (101) Application

The Ontario Universities' Application Centre (OUAC) is a division of the Council of Ontario Universities (COU). We process applications for admission to Ontario university programs on behalf of the Ontario universities. To apply for admission to a university undergraduate program and/or a non-degree-granting program in Ontario, your application must be processed through the OUAC. We forward your application to the universities of your choice.

We are committed to protecting your privacy in relation to the personal information you provide in support of your application.

By applying through the OUAC, you agree that your chosen universities will obtain the personal information you provide to us and that we will collect, use, disclose and otherwise manage your personal information as set out in this Declaration and Notice.

Universities may use and disclose your personal information for other purposes in accordance with their own admission and personal information policies and practices, including requirements for government enrollment reporting, which you must investigate yourself.

Your Responsibilities

- Provide all the personal information requested in this application, along with your application fee. Universities will not consider incomplete applications. Universities may require additional personal information and/or submissions to complete your application.
- Pay for your application. Fraudulent use of credit cards and demanding/obtaining unauthorized application fee reimbursement is considered unethical.
- Keep your access code, OUAC username, password and application reference number confidential and secure. Notify us immediately if you suspect any unauthorized access, use or disclosure of this information.
- Ensure that your application information and all supporting documentation is truthful, complete and correct. We and the universities reserve the right to verify any information provided as part of this application. If you withhold information or submit any information that is determined to be false, misleading, or written by a third party, we and/or the universities may, at our absolute discretion, invalidate the application, resulting in its immediate rejection or in the revocation of an offer of admission or registration at a university. Any such information may be shared by the OUAC, or by Ontario universities and colleges, with other universities and colleges across Canada.
- Protect the personal information in your application and do not provide it to other organizations in any form (e.g., paper, PDF).

Card Verification Digits (CVD)

Most credit cards now include a 3 or 4 digit verification number, which is not part of the regular credit card number. CVD seeks to ensure that the purchaser has the physical card in hand when placing a phone, mail, or Internet order, and to verify that the card account is legitimate. The number is not contained in the magnetic strip information nor does it appear on sales receipt.

For most cards, the CVD number is a three digit number on the back of the card.

American Express cards have a four digit CVD number on the front, above the credit card number.

◉ Credit Card (VISA, MasterCard or American Express)

Prepaid credit cards and VISA debit cards are not accepted.
Important: Do not click the "Back" button in your browser after you submit your credit card payment.

▽ More

- **Important:** Do not click "Back" after you submit your credit card payment.

- The OUAC accepts MasterCard, VISA or American Express. **Note:** A CVD is required. (What is a CVD?)

- The OUAC cannot process credit card payments over the telephone. Prepaid credit cards and VISA debit cards are not accepted.

- If your credit card is declined or invalid, the application will not be processed.

- When you click "Continue", you will be directed to a secure third party website for processing. When your credit card transaction is complete, you will be directed back to your application. You will then be emailed copy of your credit card transaction.

If you have previously applied to the OUAC, update your bill payment account number to reflect the new number provided. ⦿ Western Union Business Solutions - GlobalPay for Students (Bank-to-bank transfer for international payments only)
