Card Verification Digits (CVD)

Most credit cards now include a 3 or 4 digit verification number, which is not part of the regular credit card number. CVD seeks to ensure that the purchaser has the physical card in hand when placing a phone, mail, or Internet order, and to verify that the card account is legitimate. The number is not contained in the magnetic strip information nor does it appear on sales receipt.

For most cards, the CVD number is a three digit number on the back of the card.

American Express cards have a four digit CVD number on the front, above the credit card number.

◉ Credit Card (VISA, MasterCard or American Express)

Prepaid credit cards and VISA debit cards are not accepted.
Important: Do not click the "Back" button in your browser after you submit your credit card payment.

▿ More

- **Important:** Do not click "Back" after you submit your credit card payment.
- The OUAC accepts MasterCard, VISA or American Express. **Note:** A CVD is required. (What is a CVD?)
- The OUAC cannot process credit card payments over the telephone. Prepaid credit cards and VISA debit cards are not accepted.
- If your credit card is declined or invalid, the application will not be processed.
- When you click "Continue", you will be directed to a secure third party website for processing. When your credit card transaction is complete, you will be directed back to your application. You will then be emailed copy of your credit card transaction.

◉ Online Banking (Canadian banks and credit unions only). This process usually takes 2-5 business days.

▿ More

- The OUAC accepts online payment through selected Canadian banks and credit unions. Contact your bank for further information.
- This is **not** a debit card transaction. Once you have submitted your application, you must proceed to your bank's website to submit your payment.
- The OUAC will provide your bill payment account number after you submit your application. You need this number to pay for the application. If you have previously applied to the OUAC, update your bill payment account number to reflect the new number provided. The OUAC's bill payment name is "Ontario Universities' Application Centre" or an abbreviation of this name.

◉Western Union Business Solutions - GlobalPay for Students (Bank-to-bank transfer for international payments only)

▿ More

- The OUAC accepts payment through Western Union Business Solutions - GlobalPay for Students (bank-to-bank transfer for international payments only), which allows you to pay Canadian dollar fees in the currency of your choice.
- The OUAC will provide your bill payment account number when you submit your completed application.

Why is my currency unavailable?

Unfortunately, due to international and domestic banking regulations, some currencies are unable to be traded on the open market or are otherwise unavailable. ▿ More

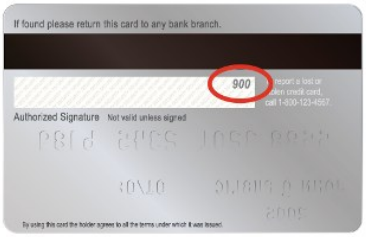
- **Important:** Do not click "Back" after you submit your credit card payment.
- The OUAC accepts MasterCard, VISA or American Express. **Note:** A CVD is required. (What is a CVD?)
- The OUAC cannot process credit card payments over the telephone. Prepaid credit cards and VISA debit cards are not accepted.
- If your credit card is declined or invalid, the application will not be processed.
- When you click "Continue", you will be directed to a secure third party website for processing. When your credit card transaction is complete, you will be directed back to your application. You will then be emailed copy of your credit card transaction.

Card Verification Digits (CVD)

Most credit cards now include a 3 or 4 digit verification number, which is not part of the regular credit card number. CVD seeks to ensure that the purchaser has the physical card in hand when placing a phone, mail, or Internet order, and to verify that the card account is legitimate. The number is not contained in the magnetic strip information nor does it appear on sales receipt.



For most cards, the CVD number is a three digit number on the back of the card.

American Express cards have a four digit CVD number on the front, above the credit card number.
