Transcript Requests

All high school transcripts and all postsecondary transcripts from outside of Ontario must be requested directly from the institution and be sent directly to the universities you are applying to. Contact the universities for further information.

International Transcripts

Ontario universities may require undergraduate applicants to have official international academic transcripts submitted directly to World Education Services (WES) Canada for verification as part of the admission process. Universities will notify applicants submitting international academic transcripts regarding specific submission requirements.

Transcripts from Ontario Postsecondary Institutions

If you attended or are currently enrolled at an Ontario university (excluding the Royal Military College of Canada), you **must** use the online transcript request.

You **may** also complete the online transcript request for Ontario college transcripts if they are required.

By completing the online transcript request and submitting it with your application and appropriate fees (application service fee, transcript fee, additional choice fees and supplemental fees), you authorize the OUAC to arrange for your official transcripts to be sent to the faculties of education that you have selected.

Exceptions:

1. You cannot use the online transcript request to order transcripts from the Royal Military College of Canada.

2. Transcript requests from the following divisions or programs at the University of Toronto must be made directly to that division:
 - Continuing Studies;
 - Toronto School of Theology; and
 - Woodsworth Pre-University Program.
3. Transcript requests from the following York University departments must be made directly to that department:
 - York University English Language Institute (YUELI) - must be made directly to that department
 - Schulich Executive Education - must be made directly to that department
 - Continuing Studies or Continuing Education - must be made to the Division of Continuing Education.
 - Requests for Additional Qualification (AQ) courses taken after 1993 - must be made to Research and Field Development, Faculty of Education.
4. Algoma University is a former affiliate campus of Laurentian University. If you are a Laurentian-Algoma graduate, please request transcripts from Laurentian. All students admitted during or after 2009 are Algoma University students and must request transcripts from Algoma University.

Contact the OUAC at 519-823-1063 if you attend/attended one of these departments or programs and require assistance with your online transcript request.

Transcript Fees and Exceptions

Fees are \$12 per transcript requested, except for transcripts requested from the following institutions, which do not have a fee:

Universities

Carleton, McMaster

Universities

Carleton, McMaster

Colleges

Algonquin, Cambrian, Confederation, Fanshawe, Humber, Loyalist, Mohawk, Niagara, St. Clair, St. Lawrence, Sheridan

The transcript fees are non-refundable. The OUAC is not responsible for the refusal of any institution to provide transcripts (e.g., delinquent accounts, incorrect identification). The OUAC will notify you if an institution does not provide the transcript. If you do not resolve these issues in a timely manner, the faculties of education will not consider your transcripts upon their release.

If you have already taken courses at the university to which you are now applying, you do not need to request that transcript. However, if a transcript request is made, it will be processed and the fee will not be refunded.

Request only 1 transcript to be sent to each institution you are applying to. If you have applied to more than one program at any one institution, you will need to send only one transcript to that institution.

Exception: You must order a transcript for each campus/university college at Western University.

Transcript fees are collected by the OUAC on behalf of the institutions.

Card Verification Digits (CVD)

Most credit cards now include a 3 or 4 digit verification number, which is not part of the regular credit card number. CVD seeks to ensure that the purchaser has the physical card in hand when placing a phone, mail, or Internet order, and to verify that the card account is legitimate. The number is not contained in the magnetic strip information nor does it appear on sales receipt.

For most cards, the CVD number is a three digit number on the back of the card.

American Express cards have a four digit CVD number on the front, above the credit card number.
