## 105 Declaration

### Declaration and Notice of Collection, Use, Disclosure and Treatment of Personal Information Provided as Part of Your Ontario University Undergraduate (105) Application

The Ontario Universities' Application Centre (OUAC) is a division of the Council of Ontario Universities (COU). We process applications for admission to Ontario university programs on behalf of the Ontario universities. To apply for admission to a university undergraduate program and/or a non-degree-granting program in Ontario, your application must be processed through the OUAC. We forward your application to the universities of your choice.

We are committed to protecting your privacy in relation to the personal information you provide in support of your application.

By applying through the OUAC, you agree that your chosen universities will obtain the personal information you provide to us and that we will collect, use, disclose and otherwise manage your personal information as set out in this Declaration and Notice.

Universities may use and disclose your personal information for other purposes in accordance with their own admission and personal information policies and practices, including requirements for government enrollment reporting, which you must investigate yourself.

#### Your Responsibilities

- Provide all the personal information requested in this application, along with your application fee. Universities will not consider incomplete applications. Universities may require additional personal information and/or submissions to complete your application.
- Pay for your application. Fraudulent use of credit cards and demanding/obtaining unauthorized application fee reimbursement is considered unethical.
- Keep your OUAC username, password and application reference number confidential and secure. Notify us immediately if you suspect any unauthorized access, use or disclosure of this information.
- Ensure that your application information and all supporting documentation is truthful, complete and correct. We and the universities reserve the right to verify any information provided as part of this application. If you withhold information or submit any information that is determined to be false, misleading or concealed, or written by a third party, we and/or the universities may, at our absolute discretion, invalidate the application, resulting in its immediate rejection or in the revocation of an offer of admission or registration at a university. Any such information may be shared by the OUAC, or by Ontario universities and colleges, with other universities and colleges across Canada.
- Protect the personal information in your application and do not provide it to other organizations in any form (e.g., paper, PDF).

#### Collection of Personal Information

- We collect the personal information you provide in your application, or in reference to your application, to process your application for your chosen universities.
- We collect your academic data, upon your request, from the British Columbia Ministry of Education, Skills and Training; Quebec CEGEPs; and/or Ontario and British Columbia colleges and universities.
- We work with the Ontario College Applications Service (OCAS) to collect your academic information from specified Ontario high schools, upon your request.
- We collect information about your status as a Canadian Aboriginal person, if you choose to provide it. You are not required to provide this information; however, if you do, we will forward it to your chosen universities so they can inform you of specific services available to Canadian Aboriginal students.
- We collect information about your status as a first-generation university or college applicant, if you choose to provide it. You are not required to provide this information; however, if you do, we will forward it to your chosen universities so they can inform you of specific services available to first-generation students.
- We collect payment information when you pay (or someone else pays) for your application. We use this information to process your payment. All credit card processing is done by a third party and no cardholder data is collected, transmitted or stored on OUAC systems.
- If you are accepted and then register at an Ontario university, the university will send your registration information and the program for which you are registered to the Ministry of Advanced Education and Skills Development (MAESD). The OUAC collects your registration information from the MAESD.

## Transcript Requests

All high school transcripts and all postsecondary transcripts from outside of Ontario must be requested directly from the institution and be sent directly to the universities you are applying to. Contact the universities for further information.

## International Transcripts

**Ontario universities may require undergraduate applicants to have official international academic transcripts submitted directly to World Education Services (WES) Canada for verification as part of the admission process. Universities will notify applicants submitting international academic transcripts regarding specific submission requirements.**

## Transcripts from Ontario Postsecondary Institutions

If you attended or are currently enrolled at an Ontario university (excluding the Royal Military College of Canada), you **must** use the online transcript request.

You **may** also complete the online transcript request for Ontario college transcripts if they are required.

By completing the online transcript request and submitting it with your application and appropriate fees (application service fee, transcript fee, additional choice fees and supplemental fees), you authorize the OUAC to arrange for your official transcripts to be sent to the faculties of education that you have selected.

### Exceptions:

1. You cannot use the online transcript request to order transcripts from the Royal Military College of Canada.
2. Transcript requests from the following divisions or programs at the University of Toronto must be made directly to that division:
  - Continuing Studies;
  - o Toronto School of Theology; and
  - o Woodsworth Pre-University Program.
3. Transcript requests from the following York University departments must be made directly to that department:
  - o York University English Language Institute (YUELI) - must be made directly to that department
  - o Schulich Executive Education - must be made directly to that department
  - o Continuing Studies or Continuing Education - must be made to the Division of Continuing Education.
  - o Requests for Additional Qualification (AQ) courses taken after 1993 - must be made to Research and Field Development, Faculty of Education.
4. Algoma University is a former affiliate campus of Laurentian University. If you are a Laurentian-Algoma graduate, please request transcripts from Laurentian. All students admitted during or after 2009 are Algoma University students and must request transcripts from Algoma University.

Contact the OUAC at 519-823-1063 if you attend/attended one of these departments or programs and require assistance with your online transcript request.

# Transcript Fees and Exceptions

Fees are \$12 per transcript requested, except for transcripts requested from the following institutions, which do not have a fee:

## Universities

Carleton, McMaster

## Colleges

Algonquin, Cambrian, Confederation, Fanshawe, Humber, Loyalist, Mohawk, Niagara, St. Clair, St. Lawrence, Sheridan

**The transcript fees are non-refundable.** The OUAC is not responsible for the refusal of any institution to provide transcripts (e.g., delinquent accounts, incorrect identification). The OUAC will notify you if an institution does not provide the transcript. If you do not resolve these issues in a timely manner, the faculties of education will not consider your transcripts upon their release.

If you have already taken courses at the university to which you are now applying, you do not need to request that transcript. However, if a transcript request is made, it will be processed and the fee will not be refunded.

Request only 1 transcript to be sent to each institution you are applying to. If you have applied to more than one program at any one institution, you will need to send only one transcript to that institution.

**Exception:** You must order a transcript for each campus/university college at Western University.

Transcript fees are collected by the OUAC on behalf of the institutions.

Certain Ontario high schools allow you to request your official high school transcript electronically (completed courses only) through the Ontario College Application Service (OCAS). If you are interested in using this service, please consider the following:

- You will be re-directed to the OCAS website to complete the transcript request form.
- Some of the personal/contact information you provided on the 105 application will be automatically transferred to the "My Student Record" transcript request form on the OCAS website. If your personal/contact information is incorrect, you must return to the 105 application to make changes.
- You will require your Secondary School Student Number (SSSN) to complete the transcript request.
- Your most recent Ontario high school should have a complete summary of your secondary school grades. Contact your secondary school or board office before making a transcript request.
- Only 1 secondary school transcript is required regardless of the number of university selections on your 105 application. If you add new program choices at a later date, the OUAC will automatically forward your Ontario secondary school transcript to those choices.
- Payment must be made by credit card (Visa, MasterCard and American Express) and is required when you make a request. Once paid, you cannot cancel your transcript requests. Fees are non-refundable.

#### Notice of Use

- Upon your request, the OUAC will work with OCAS to collect academic information about you from specified Ontario secondary schools.
- If you ordered electronic transcripts, the OUAC may use your personal information to process your transcript request.
- If you ordered electronic transcripts, the OUAC may disclose your personal information to the institution(s) from which you have ordered your transcripts to process your transcript request.

I understand how my personal information will be used and I wish to request my transcript.
